MEMORANDUM FOR: William P. Joyce
Acting Field Office Director

THROUGH: Official Channels

FROM: Matthew Salcido 
Deportation Officer
Immigration and Customs Enforcement

SUBJECT: Cellular phone damage

The memorandum is being composed to inform the chain of command of the accidental damage caused to my government issued cellular phone, cellular number 505-975-9869. Over the weekend I inadvertently dropped the cellular device in water and that has rendered the device inoperable. The device was protected by the issued Ottorbox case but one of the ports was open allowing water to seep into the device.

I am formally requesting a replacement phone at the agencies earliest convenience.,
